

# Multi-purpose PD/H/PE Centre, including Seminar/Classrooms, Grandstand and Change Rooms

Our grandstand overlooks John Simpson oval with the rear balcony and meeting room overlooking the athletics field with a prime view of the City of Tamworth nestling in the Peel Valley.

We have commenced construction of stage I of our Multi-purpose PDHPE Centre. Although many individuals and class groups have generously contributed to the seating fund, we can still use funding, as we have 210 seats to sponsor.

The building is going ahead. The money for core building has been allocated but does not include Grandstand seating. The level to which we can fit out the grandstand will depend on the generosity of those that are willing to help out...

Seat sponsorship is being made available at the set rate of \$1050 per seat. You may nominate for sponsorship and select a seat from the diagram over page. Seats already sponsored are shaded.

We have opportunities for *corporate sponsorship* in fitting out the kitchen, seminar rooms, change-rooms and even with the hot water service. If these areas are in the line of trade of your organisation, we would welcome and recognise your contribution. If you are unable to help out with materials or a fit-out, then cash is always an option. Cash would help if you are interested in sponsoring items for which the school has already committed such as the utilities or plumbing.

***All donations made payable to the School's Building Fund are tax deductible.***

We are prepared to acknowledge your contribution with a name plaque on a grandstand seat. Corporate sponsors can be recognised in a similar manner or in a manner appropriate to the contribution. Anonymous contributions are welcome or you may like to contribute in recognition of a class group or perhaps a significant Old Boy or student that is no longer with us.

Seat sponsorship is at the set rate of \$1050 per seat. You may nominate for sponsorship and select a seat from the diagram over page. Shaded seats indicate seat already sponsored. For further information or suggestions please contact Sue Stass **02 67648611** or email [SUSAN.STASS@education.nsw.gov.au](mailto:SUSAN.STASS@education.nsw.gov.au)
